The expert website for further training, career tips and promotion prospects

Everything users need to be successful – know-how, inspiration, job search, valuable tips on applications, salaries and promotion from the career and advice platform for young professionals and specialists planning the next steps in their career.

karriere.de acts as a bridge between the Orange website for young users and the premium websites Handelsblatt and WirtschaftsWoche.

The editorial team attached to the Handelsblatt “Agenda” section and headed by Christian Rickens produces exclusive career content supplemented by relevant content from Handelsblatt and WirtschaftsWoche.
The focus is on job changes, applications, salaries, qualifications, further training, legal aspects, CVs and tips for job interviews etc.

Then there is also the “My Inspiration” section featuring informative stories and supplying background knowledge from career climbers, start-up entrepreneurs, job changers, lateral entrants and job leavers as well as people who have taken a sabbatical or turned their hobby into their occupation.
